

# Coalition Member Outreach Education Requirement

OUTREACH REQUIREMENT - Page 21 of the Order r5-2014-0030-06

Each Member\* shall stay informed about agricultural water quality by participating in third-party sponsored outreach activities, at least annually. Participation may occur without in-person attendance. The Member shall review outreach materials to become informed of any water quality problems to address and the management practices that are available to address those issues. The Member shall provide annual confirmation to the third-party that the Member has participated in an outreach activity during the previous year and reviewed the applicable outreach materials.

\*For the purposes of this provision only, the term “Member” or “Grower” includes “Designees”, provided that a Designee has responsibility for decisions related to management practices associated with farming operation.

## How we interpret this regulation:

- Attend an event in person or on Zoom pertaining to water quality at least every 12 months.
- Keep track of that event with the date, location, and host of the event for your records.
- Report to the Coalition through the online DMT-data management tool what event you attended every reporting season before the February 15 deadline.
- Your Reporter, can attend on your behalf.
