Sacramento Valley Technical Assistance Hub presents

# Whole Systems Farming

A farm demonstration at Sierra Orchards, Winters, CA

Tuesday, March 29th | 9AM-12PM

photo: Sean McNamara

Join us in the field for a farm demonstration with Sean and Emily McNamara of Sierra Orchards. We will tour the farm and hear about management practices including:

Integrating sheep and chickens in walnuts

Hedgerows

IPM in Walnuts

Cover crop management and roller crimper demonstration

Managing a pastured egg operation

Compost production

Registration will be limited and is available on a first-come-first served basis  
Coffee, water, and snacks provided

This event is hosted by the Sacramento Valley Technical Assistance Hub. If you are a Sacramento Valley grower and would like to be connected to a technical assistance provider in your area, please contact us at [ecologicalfarming@caff.org](mailto:ecologicalfarming@caff.org)
