NOC – NOTICE OF CONFIRMATION REQUIRED FOR NEW MEMBERSHIP

Simultaneously with this form, I have submitted a membership application (Landowner Enrollment Agreement) and applicable membership dues to the Dixon/Solano Water Quality Coalition (Coalition). I confirm that the owner, contact, and acreage information listed on the agreement is correct.

I am aware of the reporting and compliance requirements under the Regional Board Order R5-2014-0030, as described in the summary page enclosed and provided in full at:
http://www.waterboards.ca.gov/centralvalley/board_decisions/adopted_orders/general_orders/r5-2014-0030.pdf

I confirm that I want to obtain regulatory coverage for waste discharges to surface water and groundwater under Order R5-2014-0030 by obtaining membership in the Dixon/Solano RCD Water Quality Coalition (a subwatershed of the Sacramento Valley Water Quality Coalition) and complying with all applicable provisions of the Order rather than by obtaining an individual permit through the Regional Board. To view requirements for obtaining an individual permit visit:

Both the inactive and active parties (tenants or owners) have been notified of the property's enrollment under this Order and of the requirements of this Order.

Please send farm level reporting paperwork (such as Farm Evaluations or Nutrient Budgets) to (check one): Owner Tenant

I understand that if any of the reporting and compliance requirements of Regional Board Order R5-2014-0030 (such as payment of dues, education requirements or filing of Farm Evaluations, Nutrient Budgets or Nutrient Summaries) are not met, the Regional Board will ultimately hold the property owner responsible for compliance.

Regional Board Order R5-2014-0030 requires all Coalition members to keep a hardcopy or digital copy of the Order at the headquarters of their farming operation or primary place of business.

I have downloaded a copy of the order from http://www.waterboards.ca.gov/centralvalley/board_decisions/adopted_orders/general_orders/r5-2014-0030.pdf OR from www.dixonrcd.org/copy-of-irrigated-lands, then scroll to the bottom of the page
