

Irrigated Land Regulatory Program - ILRP

Education Requirement Quiz

All members or their representatives are required to attend one education event each year. Reviewing the presentations listed below and the completion of this quiz is an education alternative for those members/representatives that were unable to attend an outreach event. You must pass the quiz with a 75% or better. This quiz fulfills the annual education requirement.

Please review the current annual presentations at: <http://www.dixonrcd.org/irrigated-lands>
(Then click on the Workshops/Events button and scroll to the bottom of the page)
